

Labor Insurance

Legal migrant workers who already applied for labor and occupational accident insurance can have the same rights of Taiwanese while working in Taiwan.

One can claim for benefits when encountering accidents at work, parents, spouse or children pass away, and for woman's delivery.

Labor Occupational Accident Insurance

[Heartbroken but not broke]

Starting from May 1, 2022, all foreign workers must apply for Labor Occupational Accident Insurance.

What happens if I get injury and accident at work, or occupational decease, can I make a claim?

How can I make a claim?

Why have I not yet received the payout?

We can give you a hand!
